

**Scripture reference:** How to Pray: The Lord's Prayer

**Story summary:** Jesus teaches us to pray. The prayer he teaches us is known as the Lord's Prayer. God also wants "secret," private prayer. Private prayer is the one thing you do when no one is watching.

**Optional Lesson Strengthening:** Hold up a cell phone and ask what all we can do with it. Emphasise that its main purpose was so that we can call someone. Ask them about where and when they've used one (encourage response). Answers for where may include: in a car, outside, in the house. Answers for when may include: when I need information, when I need help, when I may be lost and not know directions, or when I just want to talk to someone. Briefly relate a few instances of when you use your own cell phone. Who are some people you wish you could call? Anyone far away? Anyone famous? Ask: Can you just call any number to reach my cell phone? No, you must know what my phone number is. Did you know God wants us to call Him? He even gives us His number! Just like you can't call any random number to call me, we can't just call any number and reach God. Jesus said in John 14:6, "I am the way and the truth and the life. No one comes to the Father except through me." There is no other way to call on God except through Jesus Christ, His Son.

**Further discussion:** This cell phone object lesson can help us remember: We can have a phone, we can know someone's number, but until we choose to actually dial the number, we'll never reach them. It's our choice to call on God; we must act upon our choice. He's there anytime, anywhere and for anyone.
