

Scripture reference: The Beginning: A Perfect Home

Story summary: God created everything and it was good.

Optional Lesson Strengthening: Lead the children in a fun game to help get them moving and thinking about our great God who creates something out of nothing. Tell the kids you're going to play a game similar to Simon Says, and they'll need to pay close attention! There will be three possible things you will ask them to do. If you say, "God said, 'Let there be light!'" they should jump up and wave their hands over their heads. If you say, "God said, 'Let there be water!'" they should move their arms in a swimming motion. If you say, "God said, 'Let there be animals!'" they should make an animal noise or move like an animal. In order to do the action, the kids need to hear you say, "God said." If you don't say this first, the kids should remain still. Any kids who start doing the action anyway are out. Play until one child remains, and feel free to play a few rounds.

- What was easy about this game? What was hard?
- How is this game similar to listening for God?
- How does God talk to us today?

Our God simply spoke and things started happening. All of creation listened to what God had to say. We can continue listening for God's voice because we know we're a part of The Big God Story, which began with creation and continues today!

Further discussion: Knowing that God made us is one of the most important messages in the whole Bible. Sometimes we can get discouraged and frustrated. We can get down on ourselves when we feel like things aren't going well. We get sad when we feel like our best isn't good enough. We get frustrated when we can't do the things we want to do. When life gets you down, go back to Genesis 1. Remember that you were created by a creative God. Remember that he made this whole world for us. Remember that he made you in his image.
