SUNDAY FELLOWSHIP GROUP GUIDE

SCRIPTURE REFERENCE:

Ten ways to be perfect. Moses and the Ten Commandments, from Exodus 16-17, 19-40.

STORY SUMMARY:

God knew that His people would need rules so that they could get along and so that they would know how to love and obey Him. Moses went up on the mountain and the Lord laid out his covenant with His people which included the Ten Commandments and laws for life and worship.

INTRODUCTION:

We've been reading about how God rescued Moses and his people from being slaves to Pharaoh and led them out of Egypt. Then God rescued his people again by parting the waters so they could cross the Red Sea. In this story, the people promised to do everything God had said, to obey all the Ten Commandments. But no matter how hard they tried, they could never keep God's commandments all the time. God knew this. God wanted them to remember that he is the one who saves them. Obeying the

commandments cannot save them; only God can save them. But there is someone who did obey all of God's commandments all the time. It was Jesus.

OPTIONAL LESSON STRENGTHENING:

Say: "I'm going to call out some things. If you ever forget those things, stand up. If you always remember them, stay seated. Say: "Stand up if you ever forget to brush your teeth. Say: "Stand up if you ever forget someone else's name. Continue to call out items in the same manner; e.g., the way to get to school, Christmas, etc. You can read the items faster and faster so the children are jumping to stand up and so expend energy. Toward the end of the allocated time, say: "Stand up if you ever forget what God is like and how much God loves you." You should stand up at this last statement. Sometimes we all forget how great God is and we forget all the amazing things he has done for us. Sometimes we all forget how great God is and we forget all the amazing things he has done for us. In today's story we heard that God's people also forgot what God is like and how much God loves them.
