SUNDAY FELLOWSHIP GROUP GUIDE

SCRIPTURE REFERENCE:

God to the rescue! Moses and the Great Escape from Egypt, from Exodus 3-13.

STORY SUMMARY:

God's people had lived in Egypt for over 400 years. But Pharaoh didn't like God's people and he made them his slaves. God's people cried out to God to rescue them. One day, Moses heard God's voice tell him that he should go to Pharaoh and ask Pharaoh to let God's people go. Pharaoh would not let God's people go, so God sent 10 plagues. After the 10 plagues, Pharaoh let God's people go. God's people would always remember this great rescue and call it Passover.

INTRODUCTION:

Today we are going to move on from Genesis to the second book in the Bible, Exodus. Just as God's people were rescued by a lamb dying in their place, Jesus died instead of me. That is why Jesus is called the Lamb of God.

OPTIONAL LESSON STRENGTHENING:

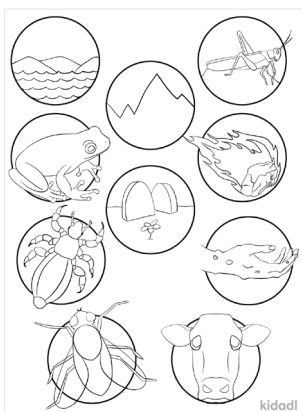

Cut a heart shape out of a dry flat sponge. Pass the sponge heart around to all of the children and let them feel it. They can bend it and squeeze it because it is soft. Now pass around a stone on which you have previously drawn a heart with waterproof marker. Talk about how hard the rock is. Place the sponge heart and the rock heart on a plate in front of the kids. Hold up a glass of water and say, "This glass of water is like God's word. God wants to pour his word into people's hearts." Slowly drip one drop of water at a time and then pour faster. Compare how the soft heart soaks up God's word while his word just slides off of the hard heart. Talk about which heart lets the word of God inside. "What kind of heart do you want to have?" In today's story we heard about about someone who had a very hard heart. Pharaoh hardened his heart toward God and wasn't willing to obey. God would later punish Pharaoh for his disobedience. What kind of heart do you want to have? A hard heart like Pharaoh or a soft heart that loves and obeys God?
